

Salvia BODACIOUS® 'Jammin' Jazz'

Key Features

- ✓ Large saturated hot pink flowers held on deep chocolate-black calyx and stems.
- ✓ Strong green foliage color, not yellowing with the season.
- ✓ Improved branching giving tight rounded habit.

Bodacious®
SALVIA

Characteristics

Genus & Species:	<i>Salvia x guaranitica</i>
Protection Status:	PP 35,405
USDA Zone:	Zone 8. (10°F or -12°C). Testing in USDA Zone 7.
Bloom:	Masses of large saturated hot pink flowers held on striking deep chocolate-black calyx and stems, freely reflowering throughout the season. Perfect companion for 'Rythmn & Blues' + 'Smokey Jazz'
Bloom Time:	Spring-fall. (Long Blooming Season). Testing to confirm daylength neutral.
Foliage:	Medium sized dark green foliage. Maintaining dark color throughout the season.
Habit:	Improved branched giving great tight rounded habit. 1 gallon 18" x 18". Ultimately 36" x 36".
Propagation:	Softwood cuttings. <i>License required for propagation.</i>
Culture:	Best grown in full sun with average water. Grower friendly.
Additional Comments:	Excellent for cool growing & early season sales. Tip when young to encourage strong branching. Great for hummingbird gardens.
Uses:	Pots & containers, garden border, modern landscape.

Approximate Finishing Time

1 Quart:	6-8 weeks
1 Gallon:	10-12 weeks

Comparison: S. 'Black and Blue'

Key Differences:

- ✓ 'Jammin' Jazz' hot pink flowers **vs.** blue flowers.
- ✓ 'Jammin' Jazz' earlier blooming **vs.** regular season.
- ✓ 'Jammin' Jazz' dark green foliage **vs.** pale foliage yellowing easily.

PlantHaven Disclaimer: These Grower Notes are based on our experience with this crop. Growth will vary depending on location, climate, growing medium and cultural practices. Where fertilizer & chemical use is involved, read the labels, follow the manufacturer's instructions & practice careful trialing methods.

Note: All PlantHaven varieties are subject to patent protection: unlicensed propagation prohibited.
